

Meadowsweet Acres

2017 CSA Farm Share
(Community Supported Agriculture)

About Our Farm

Meadowsweet Acres is a small, diversified vegetable farm located in and serving the Oley Valley. We put lots of care into every step of our vegetable production to ensure a large variety of high quality, nutritious produce. We never use GMO'S, synthetic fertilizers, pesticides, or herbicides.

About Our CSA Farm Share

Members of our 2017 CSA will receive 23 weekly shares of fresh produce, beginning in the first week of June and running through the end of October. We give crowd-pleasing items like tomatoes, carrots, and salad greens often, and include more obscure items once in a while (we will not overwhelm you with kohlrabi!). Members sign up for one of two on-farm pickup times: Tuesday 4:30-6:30 PM, or weekends (anytime after 3PM Friday, Saturday, Sunday). Those who opt for the Tuesday pickup have some level of control over what goes into the share and more interaction with the farmers, while the weekend pickup gives members more flexibility in timing. At every pickup, members are welcome to shop at our collective Covered Bridge Farm Stand stand where they'll find wood-fired bread, artisan cheese, eggs, extra vegetables, grass-fed meats, honey, and specialty mushrooms. We've got just about every kind of local food you could want!

We are offering two share sizes this year: the **full share** has a weekly value of \$22 and contains 6-9 items. It's a good amount of produce for a veggie-loving couple, or a family of 3-4. The **half share** contains half-sized portions of the same items that are in the full share. This is a good size for a veggie-loving individual, or for a couple that would like to introduce more fresh veggies into their diet.

Members receive a weekly email with information on what to expect in their share, pictures, recipe ideas, and news from the farm. For more information about the CSA or to get in touch, visit our website: www.meadowsweetacres.com

Due to the scale of our operation, spaces are limited! We operate on a first-come, first-serve basis. If you submit this form after all spaces are filled, we will return payment, add you to our waiting list and inform you of any openings.

Thank you for your support!

I have read and understand the details of Meadowsweet Acres's 2017 CSA, located on the "CSA" page of their website. I am committing to help support Meadowsweet Acres' 2017 season through the purchase of a CSA share.

In return, Meadowsweet Acres will provide me with 23 consecutive weeks of seasonal, high quality, fresh produce, grown without synthetic fertilizers or chemicals. A weekly newsletter will be e-mailed to me with pictures, recipes, and news from the farm. My farmer will be available throughout the season to answer questions, receive feedback, and address concerns.
